Please note that prices may vary depending on availability. I recommend booking in advance to secure the best rates.

Car Rental Options and Recommendations

Based on your request, I've selected car rental options for you:

- **Chambre d'hôte proche Paris**: Offers accommodations in Saint-Martin-du-Tertre, 19 miles from Pigalle Metro Station and 19 miles from Sacré-Coeur.
- **Alternative Option**: If you prefer a car rental company, I recommend **Europcar** or **Sixt**, both of which have a wide range of vehicles available at Charles de Gaulle Airport or in the city center.

Please note that car rental prices vary depending on the type of vehicle and rental duration. I estimate the daily rate to be around €40-€60 (approximately $45-67$ USD) per day.

Estimated Total Cost Breakdown

- Hotel: €130-€160 (approximately $147-180$ USD) for 1 night, depending on the hotel chosen
- Car Rental: €80-€120 (approximately $90-137$ USD) for 1 day, depending on the rental duration and type of vehicle
